Dear Shareholder

I am pleased to send you details of the forthcoming annual general meeting ("AGM") of Eurocell plc ("Company"), together with the annual report and accounts for the year ended 31 December 2017.

The AGM will be held on 18 May 2018 at our registered office (set out above) at noon. Shareholder registration will be available from 11:00am. Please write to me at the above address if you would like to ask a specific question at the meeting.

The following documents are enclosed with this letter:

- Notice of AGM
- Annual Report and Accounts
- Form of proxy (and prepaid envelope)

**Action to be taken**

You are requested to complete and return the Form of Proxy in accordance with the instructions printed on it so that it arrives no later than noon on 16 May 2018. If you complete and return the Form of Proxy, you can still attend and vote at the AGM in person if you wish. Shareholders may also submit Proxy Forms through CREST, where applicable, in accordance with the instructions in the Notice of AGM.

**Recommendation**

The Board considers the resolutions to be proposed at the AGM to be in the best interests of the Company and its shareholders as a whole. The Directors unanimously recommend that you vote in favour of the resolutions as they intend to do in respect of their own beneficial holdings. In making this recommendation, each Director abstains in relation to the resolution for his own reappointment.

**Resolutions to be proposed at the AGM**

Set out below is an explanation of the resolutions set out in the Notice of AGM.

**Resolution 1 – to receive the annual report and accounts – ordinary resolution**

The Chairman will present the Annual Report and Accounts for the year ended 31 December 2017 to the AGM. A copy of the Annual Report and Accounts accompanies this notice to shareholders.

**Resolutions 2 and 3 – reappointment of auditors and auditors' remuneration – ordinary resolutions**

Resolution 2 relates to the reappointment of PricewaterhouseCoopers LLP as auditors of the Company to hold office until the next AGM of the Company.

Resolution 3 authorises the Audit and Risk committee of the board to set the remuneration of the Company's auditors.

**Resolution 4 – directors' remuneration report – ordinary resolution**

At the 2016 Annual General Meeting, the Directors' Remuneration Policy was unanimously approved by shareholders. The Directors are not seeking approval for any changes to the Company's Remuneration Policy and therefore no resolution will be proposed at the 2018 Annual General Meeting. The Remuneration Policy will be put to shareholders again no later than the Company's Annual General Meeting in 2019. A summary of the Remuneration Policy is set out on pages 52 to 59 of the Annual Report.

In accordance with section 439 of the Companies Act 2006, shareholders are requested to approve the Directors' Remuneration Report. The Directors' Remuneration Report, which is set out on pages 50 to 64 of the Annual Report and Accounts, gives details of the Directors' remuneration for the financial year ended 31 December 2017.

The Company's auditors, PricewaterhouseCoopers LLP, have audited those parts of the Directors' Remuneration Report capable of being audited (as set out on pages 60 to 64 of the Annual Report and Accounts). The vote on the Directors' Remuneration Report is advisory in nature in that payments made or promised to Directors will not have to be repaid, reduced or withheld in the event that this resolution is not passed.

**Resolution 5 – declaration of a final dividend for the year ended 31 December 2017 – ordinary resolution**

The Directors recommend a final dividend of 6.0 pence per ordinary share. If approved the dividend will be paid on 23 May 2018 to members whose names appear on the register of members at the close of business on 27 April 2018.

**Resolutions 6 – 11 – reappointment of Directors – ordinary resolutions**

In line with the UK Corporate Governance Code and the Company's articles of association, all of the Directors will retire and be proposed for re-election at the AGM. Resolutions 6 – 11 seek your approval to re-elect these individuals as Directors of the Company.

Save for Patrick Kalverboer, the Board considers that each of the Non-Executive Directors being put forward for re-election is independent and that there are no relationships or circumstances which are likely to affect their character or judgment. Patrick Kalverboer is a managing partner of H2 Equity Partners which manages Coöperatief H2 Equity Partners Fund IV Holding W.A. (the "H2 Fund"). The H2 Fund had a significant shareholding in the Company up until March 2017.

**Resolution 12 - authority to allot share capital – ordinary resolution**

The Companies Act 2006 provides that Directors shall only allot shares with the authority of shareholders in general meeting.

If passed, Resolution 12 will give the Directors' general authority to issue shares in the Company and to grant rights to subscribe for or to convert any security into shares in the Company up to an aggregate nominal amount of £33,379.06, representing approximately one third of the current issued share capital of the Company. In addition, the resolution seeks authority for the Directors to allot shares by way of a pre-emptive rights issue up to an aggregate nominal amount of £33,379.06, representing a further third of the current issued share capital of the Company (excluding treasury shares). The Directors have no present intention of exercising either of these authorities which will expire at the conclusion of the next annual general meeting of the Company or 15 months after the passing of the resolution (whichever is earlier).

The Company held no shares in treasury as at 11 April 2018 being the last practicable date prior to publication of this document.

**Resolutions 13 and 14 - disapplication of pre-emption rights – special resolutions**

The Companies Act 2006 also provides that any allotment of new shares for cash must be made pro rata to individual shareholders' holdings, unless such provisions are disapplied under section 570 of the Companies Act 2006.

Resolution 13 is for the renewal of the Directors' authority to allot equity securities for cash, without first offering them to shareholders pro rata to their holdings. This authority facilitates issues made by way of rights to shareholders which are not strictly in accordance with section 561(1) of the Companies Act 2006 and authorises other allotments of up to a maximum aggregate nominal amount of £5,006.86 representing approximately 5 per cent. of the current issued ordinary share capital of the Company. This authority also allows the Directors, within the same aggregate limit, to sell for cash shares that may be held by the Company in treasury. The Directors have no present intention of exercising this authority.

Resolution 14 will authorise the Directors to allot equity securities for cash, without first offering them to shareholders pro rata to their holdings in addition to the authority granted by Resolution 13. This authority authorises further allotments of up to a maximum aggregate nominal value of £5,006.86 representing approximately 5 per cent. of the current issued ordinary share capital of the Company, provided that the proceeds from such issue will only be used in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six month period and is disclosed in the announcement of the issue.

The disapplication authority provided by Resolutions 13 and 14 is in line with institutional shareholder guidance, and in particular with the Pre-emption Group's Statement of Principles (the "Pre-emption Principles").

The Board also confirms, in accordance with the Pre-emption Principles, that it does not intend to issue shares for cash representing more than 7.5 per cent. of the Company's issued ordinary share capital in any rolling three-year period other than to existing shareholders, save as permitted in connection with an acquisition or specified capital investment as described above, without prior consultation with shareholders.

This authority granted under Resolutions 13 and 14 will expire at the next Annual General Meeting or on 17 August 2018, whichever is the earlier.

**Resolution 15 - market purchase of own shares – special resolution**

Resolution 15 is for the renewal of the Company's authority to purchase its own shares in the market during the period until the next Annual General Meeting of the Company for up to 10,013,719 ordinary shares, representing approximately 10 per cent. of the issued ordinary share capital of the Company. The price payable shall not be more than 105 per cent the average market value of an ordinary share in the Company taken from the Daily Official List of London Stock Exchange plc for the five business days immediately preceding the day on which such share is contracted to be purchased and in any event not higher than an amount equal to the higher of the price of the last independent trade of an ordinary share in the Company and the highest current independent bid for an ordinary share in the Company as derived from the Daily Official List of London Stock Exchange plc and not less than 0.1 pence per share, being the nominal value of the shares.

It is the Directors' intention only to exercise the authority to purchase the Company's shares for the purpose of employee share schemes or where it would increase the earnings per share of those ordinary shares that are not re-purchased. This power will only be used if the Directors consider that to do so would be in the best interests of shareholders generally. Save to the extent purchased pursuant to the regulations concerning treasury shares any ordinary shares purchased in this way will be cancelled and the number of shares in issue will be accordingly reduced. The Company may hold in treasury any of its own ordinary shares that it purchases pursuant to the relevant regulations and the authority conferred by this resolution. This would give the Company the ability to re-issue

treasury shares quickly and cost effectively and would provide the Company with greater flexibility in the management of its capital base.

As at 11 April 2018 (the last practicable date prior to the publication of this document) options to subscribe for a total of 3,711,864 Ordinary Shares were outstanding under the Company's employee share schemes representing approximately 3.7% of the issued share capital of the Company at that date and 4.1% of the issued share capital of the Company if the authority sought by this resolution were to be exercised in full.

**Resolution 16 - calling General Meetings on 14 clear days' notice – special resolution**

Section 307A of the Companies Act 2006 provides that a general meeting of a "traded company" must be called by at least 21 days' notice but may be called by at least 14 days' notice if three conditions are met.

The three conditions are that:

- (a) the meeting is not an annual general meeting;
- (b) the company offers "the facility for shareholders to vote by electronic means accessible to all shareholders". This condition is met if there is a facility to appoint a proxy by means of a website; and
- (c) shareholders have approved the holding of general meetings on 14 clear days' notice by passing a special resolution at the previous Annual General Meeting or at a general meeting held since then.

The Directors consider it desirable that they have the option to call general meetings of the Company, other than the Annual General Meeting, on at least 14 clear days' notice if there are circumstances where that is appropriate. If passed, Resolution 16 will implement this proposal and the authority of this resolution will expire at the conclusion of the next Annual General Meeting.

**Resolution 17 – approval of the making of political donations – ordinary resolution**

Resolution 17 will authorise the making of political donations and political expenditure. Part 14 of the Companies Act 2006 requires companies to obtain the approval of shareholders before such political donations or expenditure can be made.

Although the Company does not make what were usually regarded as political donations, it may incur expenditure on items such as sponsorship or attendance at political discussions or business liaison events organised by political parties within the EU on a non-partisan basis in order to make them aware of industry trends and key arguments affecting the industry in which the Company operates, as well as supporting the work of think tanks. Some of the Company's activities may be caught by the extended definitions of the Companies Act 2006 and this resolution is being proposed on a precautionary basis to allow the Company to continue its current activities. The policy of not giving any cash contribution to political parties or independent election candidates will continue.

# NOTES

1. Any member entitled to attend and vote at the Annual General Meeting is entitled to appoint one or more proxies (who need not be a member of the Company) to attend and, on a poll, to vote instead of the member. Completion and return of a form of proxy will not preclude a member from attending and voting at the meeting in person, should he subsequently decide to do so.
2. The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 146 of the Companies Act 2006 ("nominated persons"). Nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such an agreement to give instructions to the person holding the shares as to the exercise of voting rights.
3. In order to be valid, any form of proxy and power of attorney or other authority under which it is signed, or a notarially certified or office copy of such power or authority, must reach the Company's Registrars, Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA or to [proxy.votes@equiniti.com](mailto:proxy.votes@equiniti.com) by 12pm on 16 May 2018 being not less than 48 hours (excluding any part of a day which is a non-working day) before the time of the meeting or any adjournment of the meeting.

CREST shareholders who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM to be held on 18 May 2018 and any adjournment(s) thereof by using the procedures described in the CREST Manual which can be viewed at [www.euroclear.com](http://www.euroclear.com). CREST personal shareholders or other CREST sponsored shareholders, and those CREST shareholders who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for the appointment of a proxy or instruction made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message (regardless of whether it constitutes the appointment of a proxy, the revocation in appointment of a proxy or an amendment to the instruction given to a previously appointed proxy) must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of appointments of proxy specified above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to a proxy appointed through CREST should be communicated to the appointed proxy by other means.

CREST shareholders (and, where applicable, their CREST sponsors or voting service providers) should note that Euroclear does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST shareholder concerned to take (or, if the CREST shareholder is a CREST personal shareholder or sponsored shareholder or has appointed a voting service provider, to procure that his/her CREST sponsor or voting service provider takes) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST shareholders (and, where applicable, their CREST sponsors or voting service providers) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

4. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
5. Any member attending the general meeting is entitled, pursuant to section 319A of the Companies Act 2006 to ask any question relating to the business being dealt with at the meeting. The Company will answer any such questions unless (i) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information; or (ii) the answer has already been given on a website in the form of an answer to a question; or (iii) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
6. From the date of this notice and for the following two years the following information will be available on the Company's website and can be accessed at [www.eurocell.co.uk](http://www.eurocell.co.uk):
  - (i) the matters set out in this notice of meeting;
  - (ii) the total numbers of shares in the Company and shares of each class, in respect of which members are entitled to exercise voting rights at the meeting; and
  - (iii) the totals of the voting rights that members are entitled to exercise at the meeting in respect of the shares of each class.

Any members' statements, members' resolutions and members' matters of business received by the Company after the date of this notice will be added to the information already available on the website as soon as reasonably practicable and will also be made available for the following two years.

7. A form to be used for appointing a proxy or proxies for this meeting to vote on your behalf is enclosed with this notice.
8. The right of members to vote at the Annual General Meeting is determined by reference to the register of members. As permitted by section 360B(3) of the Companies Act 2006 and Regulation 41 of the Uncertificated Securities Regulations 2001, shareholders (including those who hold shares in uncertificated form) must be entered on the Company's share register at 6:30pm on 16 May 2018 in order to be entitled to attend and vote at the Annual General Meeting. Such shareholders may only cast votes in respect of shares held at such time. Changes to entries on the relevant register after that time shall be disregarded in determining the rights of any person to attend or vote at the meeting.

9. Copies of the service contracts and letters of appointment of each of the Directors will be available for inspection at the registered office of the Company during usual business hours on any weekday (Saturdays and public holidays excluded) and at the place of the Annual General Meeting from at least 15 minutes prior to and until the conclusion of the Annual General Meeting.
10. Biographical details of each Director who is being proposed for re-appointment or re-election by shareholders, including their membership of Board committees, are set out in pages 40 and 41 of the Annual Report and Accounts.
11. The total number of ordinary shares of 0.1p in issue as at 11 April 2018, the last practicable day before printing this document was 100,137,186 ordinary shares and the total level of voting rights was 100,137,186. As at 11 April 2018, there were no shares held in treasury.
12. Voting on all resolutions will be conducted by way of a poll. As soon as practicable following the AGM, the results of the voting at the meeting and the numbers of proxy votes cast for and against and the number of votes actively withheld in respect of each of the Resolutions will be announced via a Regulatory Information Service and also placed on the Company's website: [www.eurocell.co.uk](http://www.eurocell.co.uk).
13. A member of the Company which is a corporation may authorise a person or persons to act as its representative(s) at the meeting. In accordance with the provisions of the Companies Act 2006, each such representative may exercise (on behalf of the corporation) the same powers as the corporation could exercise if it were an individual member of the Company, provided that they do not do so in relation to the same shares.
